Have you heard of GS&C?

GS&C aims to assist the Church in its mission to proclaim the gospel and live faithfully for Christ, especially as it seeks to present Christ and his gospel to the wider society and culture.

We provide resources which help churches think Christianly about what is happening in society; and we help them see how they can make their message clearer to the people around them.

The Aliens Among You...

Today there are more than ten million people around the world who have been forced to leave their home countries out of fear that they will not be safe if they remain. As a result, there is growing pressure on other countries to offer safe haven - 'asylum' - for them. In

Australia, in recent months, there have been many significant changes to immigration policy, and much debate in the public square about this issue. Many Australians are asking good questions about the effectiveness of the changes, and whether they are a genuinely compassionate response toward asylum seekers.

The Committee is currently working on a resource paper that we hope will show how the Bible helps to shape Christian thinking about the global refugee crisis and the Australian experience. We expect to publish the report on the GS&C website by April, 2014.

Need more impact?

GS&C can offer subsidies to churches who install Outreach Media signs (thought-provoking example on right). To find out how, contact us via the web: www.gsandc.org.au
